ADITYA CHAUDHARY

FULL STACK / MERN DEVELOPER

+91 9520831591 | chadityan2110@gmail.com | LinkedIn | GitHub | Certificate

PROFESSIONAL SUMMARY

Computer Science graduate and **Full Stack Developer** with hands-on experience building and deploying web applications using **React.js, JavaScript, Node.js, Express.js, MongoDB, PostgreSQL, and REST APIs**. Experienced in developing end-to-end applications with **authentication, authorization, database integration, API development, validation, and responsive user interfaces**. Built and deployed **DevRise**, an AI-powered interview preparation platform, and **SellWave**, a full-stack digital marketplace. Strong foundation in **core computer science concepts** and **software development.**

TECHNICAL SKILLS

Languages: Java, JavaScript (ES6+), SQL

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Shadcn UI

Backend: Node.js, Express.js, REST APIs, JWT, Authentication & Authorization

Databases: MongoDB, MySQL, PostgreSQL, Prisma

Tools & Platforms: Git, GitHub, Postman, VS Code, Vercel, Render, Clerk

PROFESSIONAL EXPERIENCE

Software Engineering Job Simulation - Datacom | Forage
July 2025 – August 2025

- Completed a software engineering simulation involving application review, debugging, validation, and development workflows.
- Identified and resolved bugs in a location-based entertainment discovery application through debugging and issue analysis.

PROJECTS

DevRise - AI-Powered Interview Preparation Platform | *React.js, Node.js, Express.js, MongoDB, JWT, REST APIs*

- Built and deployed a full-stack interview preparation platform featuring structured learning, interview practice, MCQs, notes, progress tracking, and resume analysis.
- Developed REST APIs with **Node.js and Express.js**, implementing JWT authentication, protected routes, request validation, centralized error handling, and user-specific data access.
- Integrated **Groq API** for AI-powered interview-question generation, MCQ generation, learning assistance, and resume analysis; developed the React dashboard with reusable, API-driven components.

SellWave - Digital Marketplace | *React.js, Node.js, Express.js, PostgreSQL, Prisma, Clerk*

- Built and deployed a full-stack digital marketplace for listing, browsing, and managing digital products.
- Developed REST APIs using **Node.js and Express.js** with PostgreSQL and Prisma for database operations.
- Implemented **Clerk authentication and authorization** and developed responsive React interfaces using reusable components and API-driven workflows.

EDUCATION

K. N. Modi Institute of Engineering & Technology, Modinagar,Uttar Pradesh **2022 – 2026**

Bachelor of Technology in Computer Science & Engineering | CGPA: 7.37/10
Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU)
